ICD-10-AM/ACHI/ACS Sixth Edition

Orders now being accepted for payment and delivery in March 2008. Credit card orders will be processed as orders are dispatched.

Available in print and electronic format

ICD-10-AM/ACHI/ACS Sixth Edition **eBook** is now **bigger and better**, with new features:

- **split screen** – open multiple volumes on your desktop
- **network** version. Cost benefits additional user, compared with hard copy
- **updates** can be sent as electronic files – **no more cutting-and-pasting updates!** – and even more **savings** in terms of your team's productivity
- **user notes** – add your own notes – and naturally they can be saved between updates
- **global notes** – system managers can add and edit notes that can be read by all networked users
- **links to full text 10-AM commandments**, from volume 5 to the current edition
- **links to relevant Australian Coding Standards**
- **ergonomic benefits** – all of Sixth Edition on your computer – not on your desk
- **all the features of hard copy – and lots more that you can only enjoy from eBook**
